Why Grow Native Plants?

Gardening and landscape design choices are critical to your yard, our town and the planet. Cynthia Maguire, President-Elect, Native Plant Society of Texas provides an overview of how gardening and landscape choices made by homeowners, homeowner associations and business owners profoundly impact the natural resources and ecosystems of Texas. Presentation reveals how simple, yet informed choices, yield big results in terms of water conservation, beauty, biodiversity and ultimately the survivability of our landscapes. Join us to learn how you can make a vital difference from the comfort of your own backyard.
