

Protect Yourself, Protect Your Family Sue Weaver C.A.U.S.E.

Monday, February 8, 2010

7:00 to 8:30 p.m.

Flower Mound Public Library

Reservations: Call 972-874-6165

Presenter Lucia Bone is the sister of Sue Weaver, who was murdered in her home by a service worker. Lucia's goals are to inform consumers on the dangers of "not knowing who you hire" and to educate employers on the importance of background checks. The Sue Weaver C.A.U.S.E. (Consumer Awareness of Unsafe Service Employment) has been founded in Sue's memory in hopes of better protecting consumers in their homes. C.A.U.S.E. promotes annual criminal background checks on employees, contractors and subcontractors hired to work in or near clients' homes. C.A.U.S.E. campaigns nationally to promote consumer safety and C.A.U.S.E. Certification.

Topics to be discussed:

1. Hiring from businesses that perform *proper* background checks on all employees and subcontracted employees.
2. Safety tips when you have a repairman/service employee in your home.
3. Situations to avoid so that you are not vulnerable in your own home.
4. How to say "No" if you feel unsafe when a worker comes to your home.
5. Most important, BE AWARE and BE SAFE!
